

St Anne's Residential
CARE HOME

Golden days and skies of blue, Ice cream melting, gardens too. Friends together, laughter bright, June has filled our home with light.

As we welcome July, we look back on a wonderfully warm and busy June. From garden mornings and birthday celebrations to ice lolly afternoons as the temperature climbed, it has been a month full of sunshine, laughter and lovely moments shared together.

Employee of the Month

We are delighted to congratulate Nahid, Kitchen Assistant, on being awarded Employee of the Month. Nahid works tirelessly behind the scenes to make sure every resident enjoys delicious, home-cooked meals. Her hard work rarely goes unnoticed and we are so grateful for her dedication to the home.

Congratulations, Nahid, and thank you for all that you do!

“

Live in the sunshine, swim the sea, drink the wild air.

”

Ralph Waldo Emerson

Birthday Celebrations

June was a month of celebration, with several residents marking their birthdays and enjoying cake, cards and company with friends and family.

A very special highlight was Sr Clara's 90th birthday, celebrated together with the FMSL Sisters. It was a joyful and moving occasion, filled with warmth, gratitude and wonderful stories and a truly memorable milestone for everyone who took part.

Garden Days

The early weeks of June gave us some beautifully mild, sunny mornings, and residents made the most of it with regular time in the garden. Whether enjoying a gentle walk among the flowers, sitting out with a cup of tea, or simply soaking up the fresh air, our garden continues to be a much-loved space for relaxation and conversation.

Beating the Heat

As the temperatures rose through the month, we made sure to keep everyone cool and refreshed with ice lolly and ice cream afternoons - always a firm favourite! These sunny treats brought plenty of smiles, sticky fingers and happy chatter across the home.

Did You Know?

A British Summer June is one of the busiest months in the British summer calendar. The Summer Solstice, the longest day of the year, falls on 21st June, while Wimbledon serves up the start of tennis season and families across the country come together to celebrate Father's Day. It's a month when Britain truly feels like it's in full bloom.

Everyday Activities

Alongside these special moments, our regular programme of activities has continued to bring comfort, connection, and enjoyment from arts and crafts and gentle exercise to games, music and one-to-one chats. These everyday moments, simple as they are, remain some of the most treasured parts of life here.

As we move into July, we look forward to more sunshine, garden time and happy memories together. Thank you to all our residents, families, friends, and staff for making St Anne's such a warm and welcoming community. Your continued support and kindness mean so much to us all.
